1. Introduction

The **Business Virtual Incubator (BVI) system** at BEDCO will provide an easy-to-use web based platform from which to administer and report on the activities taking place in the BEDCO Enterprises Incubator environment.

The system is both a repository and a process management platform for actors and activities that are happening around an operation called “Incubation”. An incubation is therefore a conduit whereby an idea or concept generated by a person or company (Client) is nurtured with the best resources, people and processes available towards satisfactory goals and success.

2. Business Virtual Incubation System Features

The following features are part of the Virtual Incubator system :

- a. System Administration
- b. Users Management
- c. Clients Management (Small Business Enterprises management)
- d. Coaches/Mentors Management
- e. Meetings Management platform
- f. Networking/Collaboration platform
- g. Business Building Models platform (BBM)
- h. Knowledge Management platform
- i. Reports and Analytics platform
- j. Surveys platform

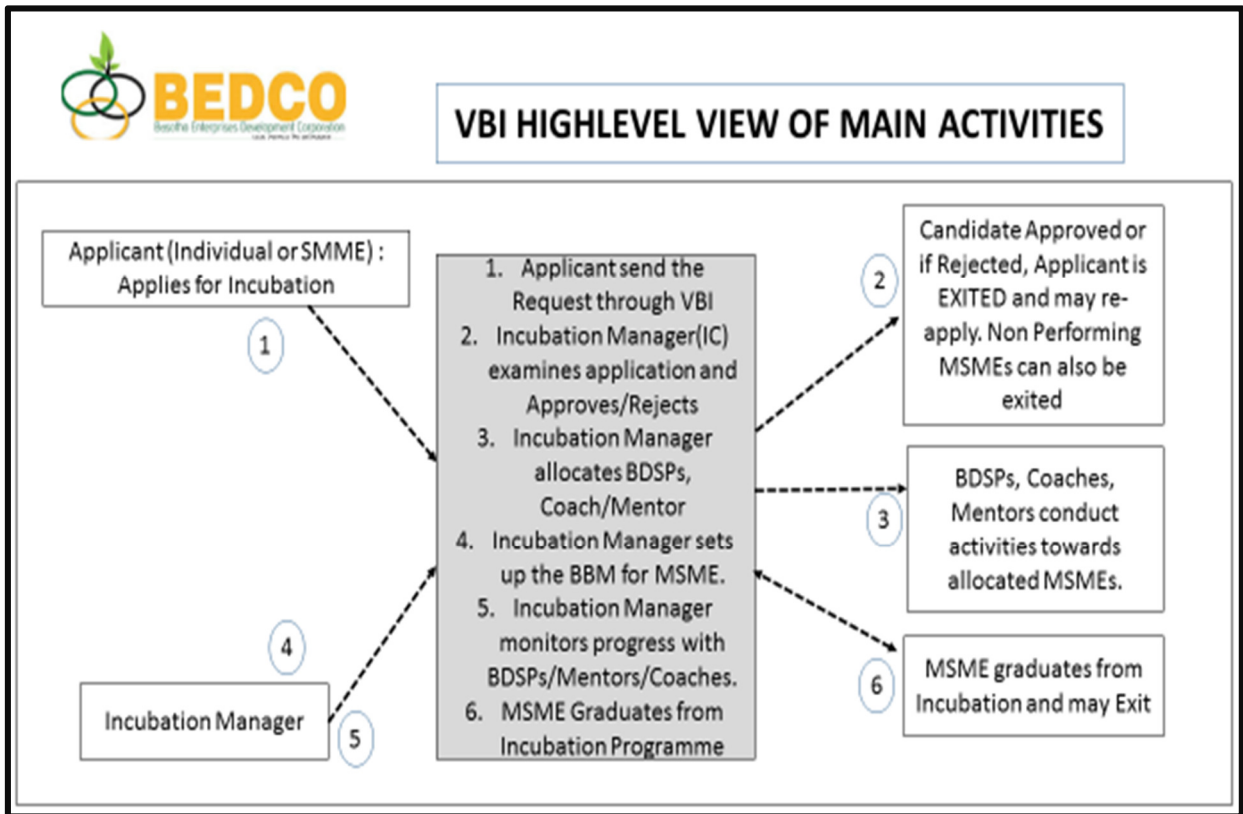

3. System Actors

Various individuals and organisations will have access to the VI system at BEDCO with the following main roles (each person can self-enrol in the system but approved by the System Administrator or the Incubation Manager) :

- a. System Administrator
- b. Incubation Manager
- c. Incubation Support Staff (Administration staff under Incubation Manager)
- d. Client Users (Users that are part of the SMMEs)
- e. Coaches / Mentors
- f. Other stakeholders : (Funders, Government and others)

4. *System high level View*

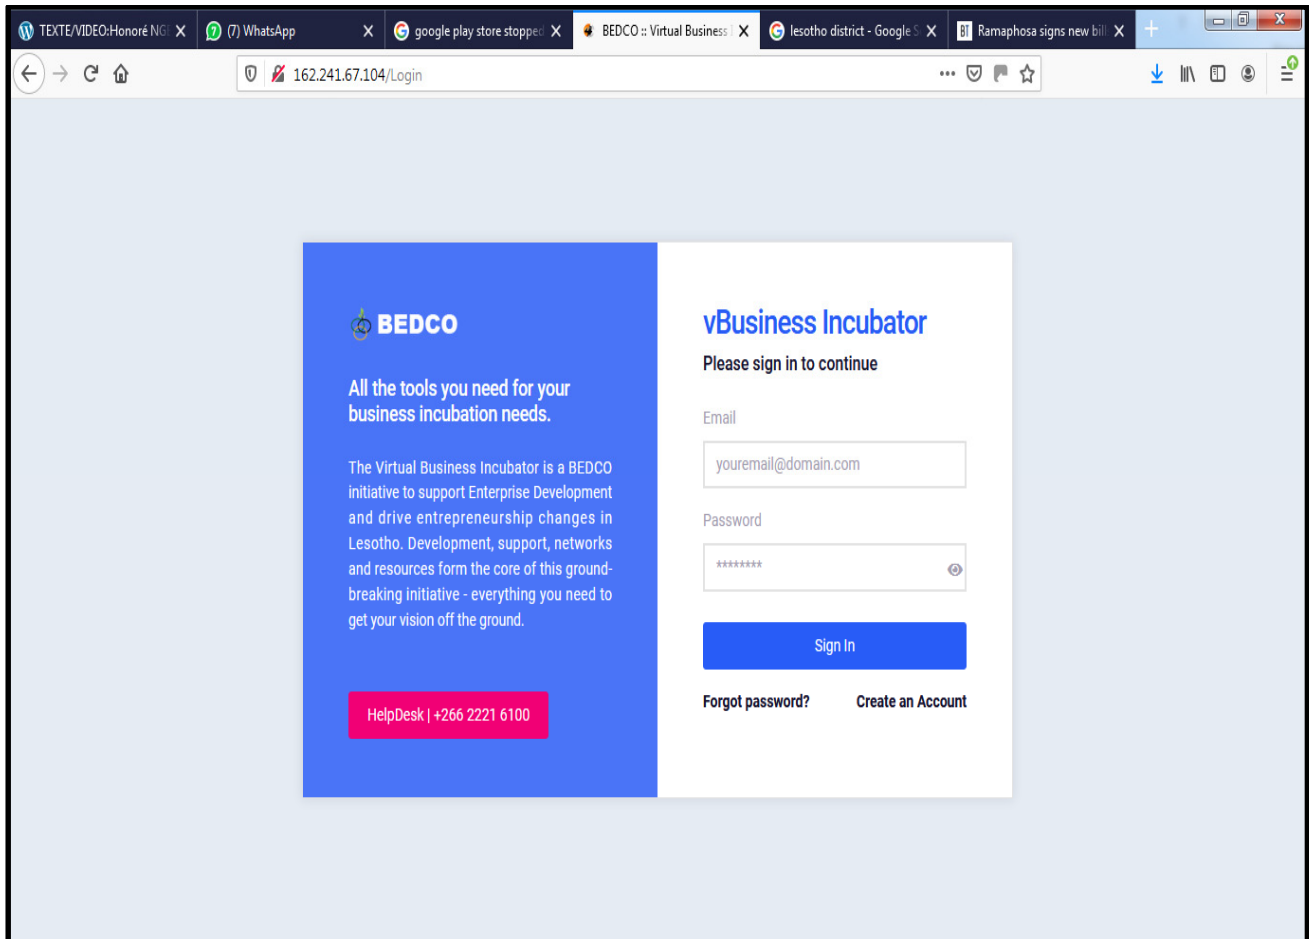

A high level view of the Virtual Business Incubation system indicates the relationship and activities' directions included in the system.

5. VBI System Users Registration

All users of the Virtual Business Incubation system can access the system through the same procedure :

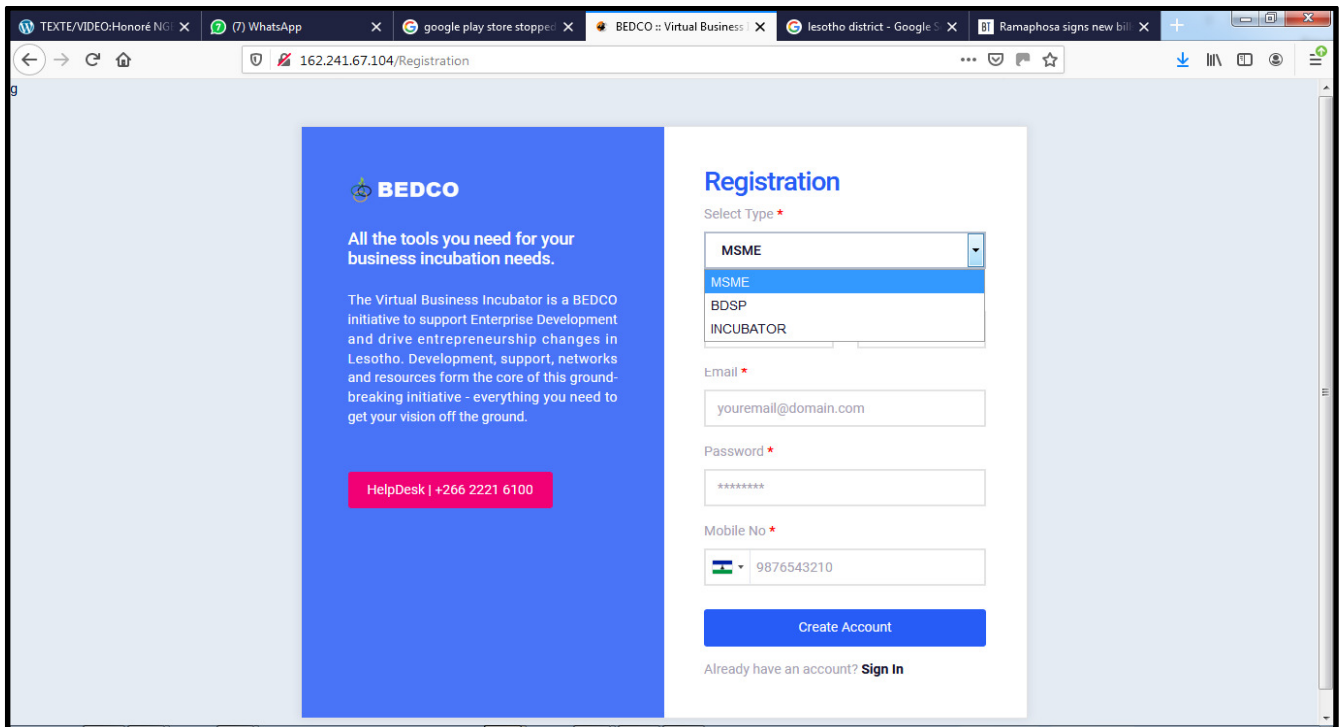

1. By Clicking the Link : <https://vbi.bedco.org.ls> which leads to this page :

The screenshot shows a web browser window with multiple tabs. The active tab is titled "BEDCO :: Virtual Business". The address bar shows the URL "162.241.67.104/Login". The main content area displays the "vBusiness Incubator" login page. On the left, a blue box contains the BEDCO logo and text: "All the tools you need for your business incubation needs." and "The Virtual Business Incubator is a BEDCO initiative to support Enterprise Development and drive entrepreneurship changes in Lesotho. Development, support, networks and resources form the core of this ground-breaking initiative - everything you need to get your vision off the ground." Below this is a red button that says "HelpDesk | +266 2221 6100". On the right, a white box contains the "vBusiness Incubator" title, the instruction "Please sign in to continue", and login fields for "Email" (with placeholder "youremail@domain.com") and "Password" (with placeholder "*****" and a toggle icon). Below these fields is a blue "Sign In" button. At the bottom of the white box are two links: "Forgot password?" and "Create an Account".

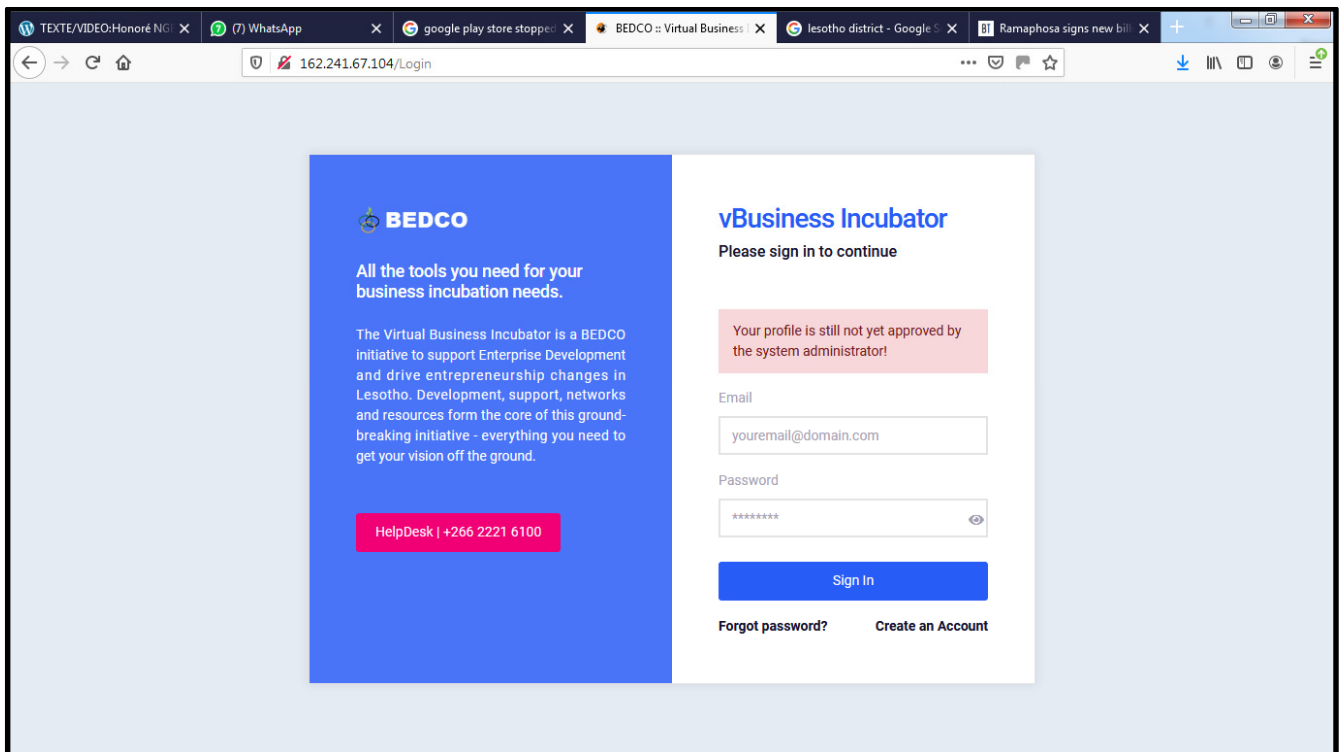

2. Once at this page, each person then is required to create an account before using the system. After clicking on the “Create an Account” link on the above image, the page here below will be reached whereby the person will select the appropriate category of user for the person, i.e. MSME, BDSP (Coach or Mentor) or Incubator Manager; then the person will fill up the required field as presented, and submit.

3. The screenshot for creating an Account :

The screenshot shows a web browser window with the URL 162.241.67.104/Registration. The page features a blue sidebar on the left with the BEDCO logo and text: "All the tools you need for your business incubation needs. The Virtual Business Incubator is a BEDCO initiative to support Enterprise Development and drive entrepreneurship changes in Lesotho. Development, support, networks and resources form the core of this ground-breaking initiative - everything you need to get your vision off the ground." A red button in the sidebar reads "HelpDesk | +266 2221 6100". The main content area is white and titled "Registration". It includes a "Select Type" dropdown menu with options: MSME (selected), MSME, BDSP, and INCUBATOR. Below this are input fields for "Email" (youremail@domain.com), "Password" (masked with asterisks), and "Mobile No" (9876543210). A blue "Create Account" button is at the bottom, followed by a link: "Already have an account? Sign In".

4. It has to be noted that for the Incubator and Bdsp/coach/mentor, the profile needs to be approved by System Administrator; a warning will appear :
